Software Engineering (Co-op)

To Whom it May Concern,

This is to certify that, as of today's date, the above-named individual is registered at Concordia University as a student for the following sessions:

2022 academic Winter Term as a full-time student.
(5 courses, 15.50 credits)

To date, Jonathan Abitbol has completed 35 credits of a 120-credit program.

Yours truly,

Stéphanie de Celles
